Providence Careers

Hi Peggy,

We're hiring exceptional nurses like you across a wide range of specialties. One of the best things about being a nurse at Providence, besides the amazing people, is our outstanding Clinical Academy. This nationally accredited program helps nurses advance their careers through specialized clinical training and dedicated mentor support. You control your career path!

We also have standout benefits, including tuition reimbursement, mental health benefits and backup childcare.

Take a few minutes today to see if Providence is a good fit for you. We hope to hear from you soon!

Hi Peggy,

We're hiring RNs like you! One great thing about Providence is the generous benefits. Paid time away and 401(k) are only the beginning—we layer on things like mental health benefits, smoking cessation programs, pet insurance, and backup care for your kiddos when your normal caregiver is away. You'll be part of a team that wants you to succeed.
